

# Arm Bands

Our range of high visibility clothing is great for identifying key personnel. We recognise, however, that there are occasions when you need to be less 'subtle' when identifying key personnel. For example, it would be inappropriate to have First Aiders wearing high visibility jackets in the theatre for your Gang Show! Additionally, some personnel may feel uncomfortable wearing high visibility jackets, but still need to be identifiable, for example the 'Duty Manager', Media Team or Photographer at a large event or the service crew / staff at a campsite. For these reasons we've introduced a range of 'Arm Bands'.

These armbands are 3.75"(9ms) deep and have a self colour 'velcro'<sup>TM</sup> fastening which gives 7"(13cms) of adjustment. The adult size armbands are 11"(28cms) to 18"(46cms) diameter which is suitable for larger sized men or women. Other sizes are available on request.

Each armband is made from 2 heavy weight cotton/polyester drill fabrics bonded together which gives a firm, heavy weight armband. The edges are finished with black cotton binding to match the lining.

Available in yellow, orange, red, bottle green, navy and black.

Each armband is printed to your specific requirements. Armbands are also available without any printing.

One Off armband: £19.00

2 of same design: £17.00 each 3 of same design: £16.00 each

We can also supply 'armbands' with a clear pocket for you to insert an appropriate message - contact us for details.
